Re: **United States v. Ari Teman**, S2 19 Cr. 696 (PAE)

Dear Judge Engelmayer:

The Government respectfully writes in response to the Court's Order, dated February 27, 2025, which, among other things, directed the Government "to file with the Court any records of the United States Probation Office since the onset of Teman's supervised release referring to, or reflecting upon, symptoms or complaints of, or treatment for, sinusitis or symptoms consistent with sinusitis." (Dkt. 508). United States Probation Officer Jimmy Wong, who is responsible for defendant Ari Teman's supervision, advised the Government that he has received no such documentation.

Respectfully submitted,

MATTHEW PODOLSKY
Acting United States Attorney for the
Southern District of New York
